BIENNIAL REPORT

OF THE

TREASURER OF STATE

OF

COLORADO

State of Colorado,
Office of Treasurer,
Denver, Colorado, December 1, 1898.

To His Excellency,
ALVA ADAMS,
Governor of Colorado:

Sir—I have the honor to submit herewith my report of the business transactions of the Treasury Department of the State of Colorado for the two fiscal years ending November 30, 1898.

		\$2,584,443 69

		\$1,735,167 78

BONDED INDEBTEDNESS.

	\$993,500 00

STATE WARRANTS.

During the fiscal years of 1897 and 1898, the revenues will be sufficient to meet all warrants drawn against the appropriations for these years, and during the year 1898 investors have been offering a premium for these warrants; however gratifying this may be, it does not relieve the fact that the state is confronted with deficiencies from the Penitentiary, Reformatory, Insane Asylum and Reform School, and while there is no deficiency at the State University, yet, taken in connection with the other institutions enumerated above, it is very evident some legislation is necessary to increase the state revenue, or these deficiencies will continue to grow to such an amount that it will be almost impossible to run them.

EMPLOYEES OF THE SEVENTH GENERAL ASSEMBLY.

There is cash in the treasury now to the credit of the revenue of 1889, \$89,348.77, but as there is an unsettled question as to the legality of warrants issued to employees of the seventh general assembly, this fund is being held until this matter is fully determined.

If it can be done, I would recommend that the legislature pass a bill legalizing all warrants issued by the seventh general assembly for the payment of employees. This would enable my successor to pay out whatever amount is due the fund of 1889 and stop interest on that sum. I want to add that these same warrants were purchased by the State Treasurer for the investment funds, and afterward taken out and sold to individuals.

FUNDING BONDS.

The outstanding warrants for the years 1887, 1888, 1889, 1893 and 1894 should be provided for in some way, and thereby stop this high rate of interest accumulating against the state. It seems to me that a bill passed by our legislature, submitting to the voters of our state an amendment to the Constitution authorizing an issue of bonds sufficient in amount to pay all *legal* out-

standing warrants and interest, would be right and proper, and I would suggest that these bonds should run for a period of fifty years at a rate of interest not to exceed 3 per cent. per annum, and that the same be sold or exchanged at not less than par.

STATE FUNDS.

The state funds have been deposited in various banks throughout the state. There has been but one failure of a bank where state money was on deposit, viz., the Bank of Montrose. There has since been a dividend of 20 per cent. paid by the assignee, and the papers are now in course of preparation to bring suit against the bondsmen for the bank to compel the payment of the balance due the state.

REGISTERED FUNDING BONDS.

In regard to the above bonds, issued to pay the indebtedness incurred by the Leadville riots, bids were advertised for and were opened in the presence of Attorney General Carr, Auditor Lowell and Secretary of State Whipple. There were three bids and the bonds were awarded to The George D. Cook Company, of Chicago, for the sum of par and \$105.00 premium, this being the highest bid, making a total of \$223,105.00.

The bonds were dated September 1, 1897, and the certificates were called in for payment. There still remains outstanding, according to the auditor's books, certificates to the amount of \$174.69, and there is a balance to the credit of the Registered Bond Fund on the treasurer's books of \$569.23.

In closing my report as treasurer of the state, I wish to extend to your excellency and other state officials my thanks for courtesies extended to this office; also to my deputy, Mr. H. E. Mulnix, Mr. Julius H. Clark and Miss Ruth C. Warren, for the courteous and obliging manner in which they have performed their several duties.

Respectfully submitted,

GEORGE W. KEPHART,
Treasurer of the State of Colorado.
